HOST AN EVENT FOR SASKATOON CITY HOSPITAL FOUNDATION

Thank you for considering Saskatoon City Hospital Foundation as a beneficiary of your fundraising event. We appreciate your efforts to help create excellence in health care by raising funds to support initiatives and equipment with the greatest impact. Thanks to you, the Foundation can respond to new opportunities as they arise, advance clinical care and therapies, and help patients recover so they return home sooner. Investments are made in careful consultation with the Saskatchewan Health Authority to ensure optimum impact on medical care in the hospital.

Saskatoon City Hospital is a primary centre for ambulatory care. Each year, there are more than 195,000 patient visits at SCH. Ninety five per cent go home the same day. This includes outpatient procedures, scoping procedures and eye care procedures as well as day surgeries, emergency department visits, medical imaging visits and inpatient stays.

Many specialized clinics and services housed within SCH serve not only Saskatoon and surrounding communities but also the entire province. Saskatoon City Hospital houses the Eye Care Centre, Women's Health Centre, Gynecology, Breast Health Centre, Endoscopy, Ambulatory Care, Rehabilitation Services, MS Clinic and the Sleep Disorder Centre. SCH is also home to the Cameco MS Neuroscience Research Centre and the office of the Saskatchewan Multiple Sclerosis Clinical Research Chair.

Hosting an event is a wonderful way to raise funds to make a positive difference for patients and their families at SCH. The Foundation recognizes that event planning and hosting can be time-consuming so continue reading our suggestions offered as a guide to ensure you and your team have fun organizing your event!

Remember, no donation is too small: every donation makes a difference.

TIPS TO PLAN A SUCCESSFUL THIRD PARTY EVENT

1. Register Your Event: Please fill out the Event Hosting Application Form and submit it to Saskatoon City Hospital Foundation. Email: nicole.hustej@SCHFgo.com
2. Event Hosting Guidelines: Thoroughly review the SCHF Event Hosting Guidelines and check the box on the application indicating you have done so.
3. Form a Planning Committee: Your committee members need to share the work and represent a variety of skills.
4. Establish Goals/Create a Budget: Identify expected income and what your net will be after expenses.
5. Schedule the Event: Check to make sure there isn't a similar event being held at the same time.
6. Develop a Task List: Divide tasks among your committee and prepare a checklist of what needs to be done leading up to the day of the event.
7. Enlist the Foundation's Help: After you've filled out the Event Hosting Application Form and Agreement and received SCHF approval, the Foundation will be happy to offer support to your successful event in the following ways: Guidance and input; website and social media promotion; volunteer assistance when feasible; guest speakers or staff to attend if required; use of Foundation logo (this helps show you're raising funds in support of the Foundation. NOTE: All printed and electronic materials using the logo must be approved by SCHF prior to publication and distribution).
8. Promotion and Publicity: SCH Foundation may advertise your event on our website, in social media, at the hospital and to Saskatchewan Health Authority employees (Providing a logo, photos, posters and other materials will help too.)
9. Other promotional ideas: Word of mouth; local media; community-based web sites; flyers; school and community groups; your event's social media; and public bulletin boards.
10. Wrap it up: Your successful event is over and it's time to collect funds, and thank your participants and volunteers. The Foundation asks that all funds be forwarded within 30 days following the event. Please allow 4-6 weeks from the date of funds received for tax receipts to be issued (refer to Event Hosting Guidelines - Receipting).

Remember to thank and acknowledge your supporters and they'll be back next year!

Have fun!

EVENT HOSTING GUIDELINES

Event Hosting is a fundraising initiative directed and managed by individuals or groups in the community where some or all event proceeds are donated to Saskatoon City Hospital Foundation (SCHF).

The purpose of Event Hosting Guidelines is to ensure all events undertaken in support of SCHF are successful, positive experiences that reflect well on event organizers, SCHF and SCH.

In order to ensure that all Event Hosting events have a positive impact for our patients, their families and the medical team at SCH, SCHF requires organizers to follow the following guidelines:

GUIDELINES:

1. SCHF reserves the right to deny any application for a special event/fundraising program that does not present, in the Foundation's view, a positive image for the Foundation.
2. SCHF logo must not be used without prior review and consent by a representative of the Foundation for mailers, publications, social media, etc. for which the logos will be used.
3. In view of its limited staff and volunteer resources relative to the number of fundraising events in a typical year, participation by Foundation staff and volunteers should be minimal and should not be a critical element in the success of any third party event.
4. While Foundation staff will be pleased to have information available regarding the event, including where and how to acquire tickets, it's unable to actively participate in the sale of tickets.
5. SCHF will not provide "seed money" or otherwise invest donor funds for Event Hosting events.
6. The Foundation is not liable for any injuries sustained by event volunteers or participants related to an event benefiting SCH Foundation and cannot assume any type of liability for the event.
7. Charitable gaming activity (raffles, 50-50s, etc.) must be licensed by Saskatchewan Liquor and Gaming (SLGA). As a third party entity you can apply for a Public Amusement License, please see <https://www.slga.com/permits-and-license>

8. Charitable Tax Receipts: Official tax receipts may be issued by SCHF for donations of \$10.00 or more and in accordance with Canada Revenue Agency guidelines, which addresses issues such as “advantage” received as part of the ticket price.

The event organizer is responsible for providing participant names, addresses, contact information and donation amount in a clear and legible manner. This will ensure the Foundation is able to maintain accurate records for receipting purposes. The event organizer is also responsible for providing the Foundation with a detailed accounting (including supporting documentation) of any advantage received by event supporters as charitable receipts will only be issued, net of advantage, in accordance with Canada Revenue Agency guidelines. A letter of thanks is also included with the charitable receipt.

We would be happy to provide you with further information on this. Event information must be received within 30 days of the event.

- SCHF cannot issue a charitable donation receipt for items purchased at an auction or for purchasing tickets for a draw prize. For more information on charitable receipting processes, please visit the Canadian Revenue Agency website at www.cra-arc.gc.ca
9. All cheques are to be made payable to Saskatoon City Hospital Foundation and include the event name in the cheque memo.
