# Black Tie Bingo

The Bingo is a community favourite, bringing together approximately 450 people to raise funds in support of Saskatoon City Hospital Foundation.

2025 marks the 27th Black Tie Bingo!

Black Tie Bingo is an extraordinary night of bingo, fine dining, and socializing with friends. It offers guests a chance to bid on outstanding auction packages, terrific trips, dazzling jewelry and a chance to win enticing Bingo prizes, keeping guests on the edge of their seats as they compete to win!

Since its inception, Black Tie Bingo has raised more than \$1.5 million to enhance healthcare at Saskatoon City Hospital. The event has supported numerous areas of the hospital with new equipment, technology, and research.

Find us on Facebook @BlackTieBingoSCHF.

## Event Proceeds

Proceeds will support Saskatoon City Hospital Foundation's multi-million dollar CT Scanner campaign. For many patients, their healthcare journey begins with imaging. Saskatoon City Hospital performs 55,000 medical imaging procedures annually. The current CT scanner at SCH serves over 15,000 patients annually, making it the busiest imaging site in Saskatchewan. As the current CT nears its lifespan, Saskatoon City Hospital Foundation is committed to bringing the best technology to the hospital and community.

A new CT with innovative technology will not only result in an increase in patient access but also deliver better, faster imaging, leading to more accurate diagnoses and treatment decisions. This technology will be unique in Saskatchewan and vital to better patient care throughout the province.
